Dear Ms. Benitz:

This letter is to notify you that Together for Our Majority PAC electronically filed amendments to its November and December 2001 Monthly Reports today. These amendments respond to the concerns raised in the Federal Election Commission's letter dated May 22, 2002. After much research, TOMPAC determined that the discrepancies in our original reports were caused due to software problems which have now been fixed by our vendor. Thank you for bringing these matters to our attention.

Sincerely,

Paul Scolese
Treasurer
